## WHY THESE ON-DEMAND COURSES?

- Affordable rate for top-notch quality – The cost per course and the package offered is significantly lower than the comparable courses, as we believe in making training available to growth-oriented individuals.
- Available 24/7/365 around the world – Learners can access self-paced content immediately based on their own schedules.
- Superior and proven quality from a notable legal authority – Ms. Bouchoux has been a frequent speaker and trainer for paralegal associations and law firms for years. With the on-demand format, participants will have three days to learn the materials.
- Quizzes and Answer Keys – At the end of most courses, there are quizzes to help participants learn and retain the materials.
